

EDUCATION AND HUMAN RESOURCES' DIVISIONS & PROGRAMS (<http://www.nsf.gov/dir/index.jsp?org=EHR>)

Graduate Education (DGE) – (<http://www.nsf.gov/div/index.jsp?div=DGE>)

- Graduate Research Fellowship Program
- Integrative Graduate Education and Research Traineeship Program
- NSF Graduate Teaching Fellows in K-12 Education
- NSF – Navy Civilian Service Fellowship – Scholarship Program
- Travel Awards for NATO Advanced Study Institute

Undergraduate Education (DUE) – (<http://www.nsf.gov/div/index.jsp?div=DUE>)

- Advanced Technological Education (ATE)
- Course, Curriculum & Laboratory Improvement (CCLI)
- Federal Cyber Service: Scholarship for Service
- Interdisciplinary Training for Undergraduates in Biological and Mathematical Sciences
- National Science, Technology, Engineering and Mathematics Education Digital Library
- NSF Computer Science, Engineering & Mathematics Scholarship
- NSF Director's Award for Distinguished Teaching Scholars
- Robert Noyce Scholarship Program
- Science, Technology, Engineering & Mathematics Talent Expansion Program
- Teacher Professional Continuum (TPC)

Elementary, Secondary, and Informal Education (ESIE) – (<http://www.nsf.gov/div/index.jsp?div=ESIE>)

- Advanced Technological Education (ATE)
- Communicating Research to Public Audiences
- Global Learning and Observations to Benefit the Environment
- Informal Science Education (ISE)
- Information Technology Experiences for Students and Teachers
- Instructional Materials Development (IMD)
- Presidential Awards for Excellence in Mathematics and Science Teaching
- Teacher Professional Continuum (TPC)

Experimental Program to Stimulate Competitive Research (EPSCoR) – (<http://www.nsf.gov/div/index.jsp?div=EPSCOR>)

- EPSCoR Research Infrastructure Improvement Grant Program

Human Resource Development (HRD) - (<http://www.nsf.gov/div/index.jsp?div=HRD>)

- Alliances for Graduate Education and the Professoriate (AGEP)
- Centers of Research Excellence in Science and Technology (CREST)
- Historically Black Colleges and Universities Undergraduate Program
- Louis Stokes Alliances for Minority Participation (LSAMP)
- LSAMP Bridge to the Doctorate
- Model Institutions for Excellence – Phase III
- Presidential Awards for Excellence in Science, Mathematics and Engineering Mentoring
- Research in Disabilities Education (RDE)
- Research on Gender in Science & Engineering
- Tribal Colleges and Universities Program

Research, Evaluation, and Communication (REC) – (<http://www.nsf.gov/div/index.jsp?div=REC>)

- Advanced Learning Technologies
- Evaluative Research & Evaluation Capacity Building (EREC) And Research on Learning & Education (ROLE)
- Interagency Education Research Initiative
