Please answer the following questions on a separate page(s) and attach it to your application. Please type your responses or use black or blue ink when writing them.

1. What honors (for example, scholastic, citizenship, artistic), prizes, or recognitions have you received during high school or college? Please indicate the years in which you received these honors or participated in these activities.
2. What offices or positions have you held in your school, community, or church?
3. Name two or three of your hobbies or special interests.
4. List two or three of your activities during the last two summers.
5. Personal Statement: This portion of the application is intended to help the reader obtain a better sense of you as a person and as a student. You are free to use whatever approach you find most appropriate. In your own way, discuss these two areas of concern: (1) the factors (e.g., family, culture, education) that have most influenced your commitment to pursuing a college education, and (2) your vision of yourself as a member of the profession in which you hope to become a part.

The information provided here is a true, accurate, and ethical representation of me as of this date.
